No one after lighting a lamp puts it under the bushel basket, but on the lampstand, and it gives light to all in the house. In the same way, let your light shine before others, so that they may see your good works and give glory to your Father in heaven.

Matthew 5:13-16

World Day of the Sick

The 28th World Day of the Sick will be observed on February 11th; this day serves the purpose of reminding the members of the Church of the healing ministry of the Church. It reminds us of our Christian obligation to attend to the sick and the suffering around us. 2) This is a day to show our gratitude to the caregivers, the doctors, the nurses, the health care workers, the pastoral ministers and all those who strive to restore the physical and spiritual health of the sick. 3)Anointing of the sick is one of the 7 Sacraments, and not the 'last rite' or death warrant. It can be received again if you are sick again. It is acknowledging the healing power of God, both of our body and spirit.

The Eucharist in Scripture

6 Part Bible Class, here. Start Date: Feb 27th at 6:30 P.M.

Liturgy is an essential element of Scripture. It is central to the Bible's story. The New Testament liturgy—especially the Eucharist—was promised in the Old Testament. It was anticipated, prefigured, foreshadowed. And it was fulfilled by Jesus in his Sacred Passion. In *The Eucharist in Scripture*, discover God's plan as it is expressed through the Bible and the liturgy. This six lesson study, presented by **Dr. Scott Hahn**, will unlock the meaning of covenant, sacrifice, and sacrament as understood in the Bible, from Genesis through Revelation.

Honouring Catholic Marriage (Feb.15th & 16th)

When the Catholic Church teaches that marriage between two baptized persons is a sacrament, it is saying that the couple's relationship expresses in a unique way the unbreakable bond of love between Christ and his people. Like the other six sacraments of the Church, marriage is a sign or symbol which reveals the Lord Jesus and through which his divine life and love are communicated. All seven sacraments were instituted by Christ and were entrusted to the Church to be celebrated in faith within and for the community of believers. The rituals and prayers by which a sacrament is celebrated serve to express visibly what God is doing invisibly. In a sacramental marriage, God's love becomes present to the spouses in their total union and also flows through them to their family and community. By their permanent, faithful and exclusive giving to each other...their life becomes sacramental to the extent that the couple cooperates with God's action in their life and sees themselves as living "in Christ" and Christ living and acting in their relationship, attitudes and actions. ***Join us next weekend at Mass where we will be honouring married couples.***
